Defend marriage

We will defend the definition of marriage as one man and one woman.

We have been defending marriage for 35 years, and will continue to do so.

Protect children - stop 'Safe schools'

I will fight to protect children from the increase in sexualisation and abuse.

This includes removing programs like 'Safe-Schools'

Support Free Speech & Freedom of Religion

The Greens and Labor want to further restrict what you can say and think. We will defend your rights to free speech and other civil liberties.

No changes to Superannuation

We believe it's **not fair** to change the rules and taxes on Superannuation.

No Medicare cuts

We will stop the Government's cuts to Medicare and health.

No Sharia Law

Australian law only. Also, We call for a full and public federal investigation into the halal certification industry.

Keep Aussie assets, Aussie owned.

Stop the government selling off our vital national assets to foreign countries. We will oppose the sale of major Australian assets to foreigners.

Hello I'm Silvana Nero-Nile, your Tasmanian Senate Candidate for the Christian Democratic Party. I want to be part of the rebuilding of the faith of Australians back into the leadership of our nation. I am passionate about upholding family values and Australia's Judeo-Christian heritage.

Our real problems today are not economic, they're not even political; our real problems today are a lack of good character, values and common decency. For 35 years the CDP has stood for Aussie values and traditions. If you elect me I will ensure the voice of the mainstream Tasmanian conservatives is heard.
